## CENTRAL PLAZA, 370 FLINDERS MALL TOWNSVILLE

### Location

Central Plaza is located in the heart of the Flinders Street Mall, undoubtedly the best location in the Townsville CBD, opposite the retail amenity now available in City Lane and the new Woolworths. This location, in addition to the significant refurbishment Central Plaza underwent in recent years, makes it one of the most high quality, well maintained buildings available in Far North Queensland. The property also has a 5 star NABERS rating.
